Activities: This week, to build our reading readiness skills, we will be learning the letters Mm, Tt and the /m/ and /t/ sounds. After this week is complete, your child should have mastered the recognition of the letters M, T, m, t and be able to give the /m/ and /t/ sound when asked. We will have fun learning these skills after the introduction of our first two letter friends, Mr. M and Ms. T. We will hear lots of children's literature that has these letters included in it. We will also make a design with 10 dots to create a page in our class book entitled Ten Dots. We will construct a tiny book filled with words that begin with "t".
