Activities: This week, to build our reading readiness skills, we will be learning the letters Pp, Cc and the /p/ and /c/ sounds. After this week is complete, your child should have mastered the recognition of the letters P, C, p, c and be able to give the /p/ and /c/ sound when asked. We will have fun learning these skills after the introduction of our fifth and sixth letter friends, Ms. P and Mr. C. We will hear lots of children's literature that has these letters included in it. We will also be comparing numbers 0-10. We will work on building our reasoning skills by working puzzles and use manipulatives to create and expand patterns.
