Junie B., First Grader Shipwrecked

Math – Envision Math lessons

- Compare groups to 10
- Comparison words
- Compare numbers using numerals to 10
- Compare groups to 10 by counting
- Separating objects into equal groups

Activities: This week, to build our reading readiness skills, we will be learning the letters Ii, Nn and the /i/ and /n/ sounds. After this week is complete, your child should have mastered the recognition of the letters I, N, i, n and be able to give the /i/ and /n/ sound when asked. We will have fun learning these skills after the introduction of our seventh and eighth letter friends, Mr. I and Mr. N. We will hear lots of children's literature that has these letters included in it. We will also be comparing numbers 0-10. We will learn about illustrators and illustrate our own little book and create a class book about our initials.

MR. I HAS IMPOSSIBLE INCHES!

MR. N HAS A NOISY NOSE!
