Math - Review Math lessons

- Review numbers 0-10 - writing and counting
- Subitizing numbers 1-8
- Writing the missing numeral
- Numbers that are one more
- Patterns AB, AAB, ABB, ABC

Activities: This week, to build our reading and math readiness skills, we will be reviewing letters Aa, Bb, Cc, Ii, Mm, Nn, Pp, Rr, Ss, Tt and the numbers 0-10. At this point your child should have mastered the recognition of these letters and sounds and these numbers. We will hear lots of children's literature that has these letters included in it. We will also be comparing numbers 0-10 and reviewing several math skills that we have covered.

We will have fun with our Harvest Party on Thursday and welcome the new month of November on Friday.

Happy Halloween
