Activities: This week, to build our reading skills, we will be learning the letters Uu, and Vv from the introduction of our 23rd and 24th Letter Friends. Your child should master the recognition of these letters and sounds and be able to correctly write the letters. We will hear lots of children's literature that has these letters included in it. We will review matching upper case and lower case letters and continue writing from a four square. We will also continue Spelling this week learning word families and having a test on Thursday. We will create two class books, one on food that grows underground and a funny book about underwear.
