Activities: This week, to build our reading skills, we will be learning the letters Zz and Qq from the introduction of our last two Letter Friends. Your child should master the recognition of these letters and sounds and be able to correctly write the letters. We will hear lots of children's literature that has these letters included in it. We will also continue Spelling this week learning word families and having a test on Thursday. We will create a class book entitled Our Class Quilt Album and we will play number BINGO to learn our numbers 0-20 and the game "Zagic" using a magic zipper working on phonemic awareness.
